GROUCH ELECTION IS ON!

Submitted by Tipple Park Museum

Over the coming weeks, Evansburg residents will decide who will be the town Grouch for the next year.

Since 1979, the community has elected a community member to serve as the Evansburg Grouch. The Grouch acts as a representative to the community, appearing in costume at local

events. The tradition started after John Lauer created the Welcome to Evansburg sign, which listed the number of people, cats, and dogs living

JOKE of the week

The teacher of the earth science class
was lecturing on map reading.

After explaining about latitude, longitude, degrees
and minutes the teacher asked, "Suppose I asked
you to meet me for lunch at 23 degrees, 4 minutes
north latitude and 45 degrees, 15 minutes east
longitude...?"

After a confused silence, a voice volunteered,
"I guess you'd be eating alone."

competing to see who is the grouchiest.

Chrissy has lived in Yellowhead County her entire life. She is an avid reader and can often be found working on upcoming plans. When asked what makes her

grouchy, Chrissy's answer is "people."

Cynthia also grew up in the area, but moved away for 12 years before returning two years ago. Cynthia is an entrepreneur and mom of five kids. People are most likely to find her baking or doing something around her farm. People who are unkind make Cynthia very grouchy.

How to Vote

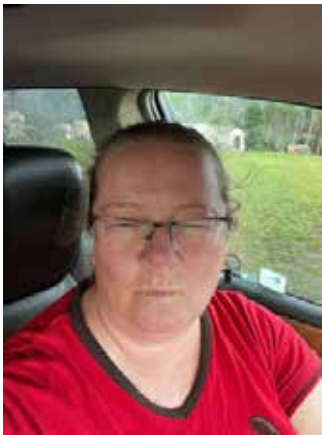

Voting will take place from June 24th to July 9th at various local businesses. For those new to the game, each participating location has a voting box. To vote, deposit loose change in the slot of the Grouchiest candidate. Whichever

candidate has the most money at the end of the voting period will be declared the new Grouch for the next year! This year, the winner will be announced at 9am at the Pembina Valley Daze pancake breakfast.

Proceeds from the voting boxes will go toward

future "grouching she-nanigans" (ie. upkeep of the Grouch's costume and other things the new Grouch will need to continue participating in community events)!

The Evansburg Grouch is currently arranged through the Tipple Park Museum. We ask that if you would like to see the Grouch at your event, please contact the museum and we will help you make arrangements.

GATHER 'ROUND – CULTURAL CAMPFIRES ARE BACK TO LIGHT UP YOUR SUMMER NIGHTS!

Submitted by Stony Plain

Summer evenings just got a whole lot cozier! Cultural Campfires are returning to Shikaoi Park to bring the spark of stories, culture, and connection to your Thursday nights. From July 3 to August 21, bring a lawn chair (or a blanket!) and get swept away by powerful tales from cultures around the world under the open sky from 7 PM to 8 PM.

Hear stories from local storytellers and enjoy this free, family-friendly series celebrating the richness of our community through the art of

storytelling. Each week features a new cultural perspective, inviting listeners to explore different heritages, traditions, and experiences that help us understand each other just a little better.

“Storytelling has such a unique ability to bring people together,” says Mayor William Choy. “These campfires have sparked amazing cross-cultural connections over the years, and I highly encourage everyone to come out, listen, and learn from the voices in our community.”

“Each campfire is more than just an event; it’s a space where people

meet, share, and connect,” says Community Development Officer Akorfa Mawutor. “It’s where understanding, acceptance, and compassion grow.”

The first flame of the season will be lit on Thursday, July 3, featuring inspiring stories of Inuit Heritage. Bring your friends, family, and a cozy blanket. It’s going to be an unforgettable summer!

Admission is free, and while there’s some seating available in the park, we recommend bringing your own chair to stay comfy.

2025 Cultural Campfire Dates:

July 3 – Inuit Heritage
July 10 – Francophone Stories

July 17 – Chinese Heritage

July 24 – Ukrainian Heritage

July 31 – Canadian Heritage

August 7 – West African Showcase

August 14 – German Heritage

August 21 – Irish Folklore

Don’t miss this summer of storytelling magic. For more info, visit the Cultural Campfires webpage.

LONG-TERM VOLUNTEER INDUCTED INTO CITY’S AWARDS OF EXCELLENCE PROGRAM

Submitted by Spruce Grove

A long-standing community volunteer who has spent significant time and energy preserving Spruce Grove’s history is being inducted into the City’s Awards of Excellence program for 2025.

Sharon Acheson is being recognized in the Community Service category for her lengthy and significant volunteer service to the Spruce Grove and District Agricultural Society (Ag Society).

“It’s a privilege to recognize and honour Sharon through our Awards of Excellence program,” said Mayor Jeff Acker. “Her work and dedication have had a significant impact on preserving Spruce Grove’s rich history and ensuring that key pieces of our past, like the Alberta Wheat Pool grain elevator, remain standing in our community for generations to come.”

Sharon started volunteering with the Ag Society in 2017, where she worked to archive business records for the Alberta Wheat Pool

grain elevator. Over the years, Sharon has organized and led several volunteer teams to help with archival efforts, including forming an extensive inventory system of donated items and the eventual creation of the museum display that remains in the back of the workshop today.

Sharon’s efforts have also involved digitizing all the museum’s paper records, ensuring that they meet industry standards for recording and sharing archival information. Thanks to Sharon and her team of

volunteer’s diligence, the entire documentation of the Ag Society Museum collection is now complete.

Sharon currently serves as the Chair of the Archives, which are being moved to their new home in the Spruce Grove Public Library, a location that offers proper protection and environmentally appropriate conditions.

Sharon will be officially recognized during the Canada Day Ceremony at Jubilee Park on July 1. Community members are invited to attend.

ROCK ON! MUSIC TOUR 2025

Submitted by GYPSD

Rock Tour 2025 was an incredible success according to music teacher, Jayden Madsen, from Harry Collinge High (HCHS) in Hinton, who once again partnered with fellow music teachers, Brett Watt from Grand Trunk High (GTHS) in Evansburg, and Matt Kolotyluk from Thorhild Central - and former GTHS music teacher - to bring together their talented student musicians. This is Rock Tour #11 for the three schools partnering together to share their love of music; led by three passionate teachers who also play together in their own band, The Mad

Jacks. Over the course of three days in May, a mix of grade 9 to 12 students combined from the three high schools, embarked on a five-show rock and roll tour, performing at schools in Thorhild, Westlock, Evansburg, and Hinton. The talented students included drummers, keyboard players, guitar players, bassists, and vocalists. Many students had more than one job or played more than one instrument too. Some of the students also had a public performance at The Venue in Hinton, drawing a fantastic crowd and showcasing the students' hard work and dedication. The tour provided a unique learn-

ing experience, immersing students in the realities of touring life. They honed their skills in setting up and taking down light and sound systems, while learning the intricacies of live performance. Traveling hundreds of kilometres together, they forged strong bonds and developed a deeper understanding of teamwork and collaboration. Unlike some school activities that focus on competition, this tour emphasized team-building and unity. Students from different schools worked together, supporting each other both on, and off, the stage.

Madsen noted, "The students all worked separate-

ly, but very quickly, we had musicians intermingling. My one keyboard player stepped up and learned three tunes with a few days notice to fill in for a missing keyboard player in one of Matt's band. The camaraderie and shared experiences made this tour truly special, leaving lasting memories and friendships. Overall, the tour was an unforgettable journey that highlighted the power of music to bring people together and foster a sense of community."

CONFIRMED CASE OF MEASLES PROMPTS PUBLIC ALERT TO POTENTIAL EXPOSURES

Submitted by Alberta Health Services

Alberta Health Services (AHS) has been notified of a person with confirmed measles in the Edmonton Zone who has been in a public setting while infectious. Additional locations may be released if necessary.

Individuals who were in the following location/s during the specified dates and times may have been exposed to measles:

Location:

Misericordia Community Hospital Emergency Department

16940 87 Ave. NW, Edmonton

Exposure time periods:

June 17: Exposure time: 5:21 p.m. to June 18: 3:53 a.m. (MDT)

Anyone who attended these locations at these times, who was born in or after 1970 and has less than two documented doses of measles-containing vaccine, may be at risk for developing measles. They should self-monitor for symptoms of measles and are strongly encouraged to review their immunization records.

Measles is an extremely contagious disease and the virus spreads easily through the air. Symptoms of measles include:

- Fever of 38.3° C or higher; and
- Cough, runny

nose and/or red eyes; and

- A rash that appears 3 to 7 days after fever starts, usually beginning behind the ears and on the face and spreading down to the body and then to the arms and legs. The rash appears red and blotchy on lighter skin colours. On darker skin colours, it can appear purple or darker than the skin around it, or it might be hard to see.

Complications of measles can include ear infections, pneumonia, inflammation of the brain, premature delivery, and rarely death. Persons who are pregnant, less than 5 years of age, or have weakened immune systems are at greatest risk of serious complications.

If symptoms of measles do develop, individuals are advised to stay home and call the measles hotline at 1-844-944-3434 before visiting any healthcare facility or provider, including a family physician clinic or pharmacy.

Measles vaccine is highly effective at preventing infection and complications. In Alberta, measles vaccine is offered, free of charge, through Alberta's publicly funded immunization program. The recommended schedule for measles vaccination is two doses, the first at one year of age and the

second at 18 months.

If you think you have been exposed, and you are not protected against measles you may be able to receive immunization to reduce the risk of infection. A dose of vaccine needs to be given within 72 hours of exposure to prevent measles. Babies under 1 year of age, people with severely weakened immune systems, and those who are pregnant may be able to receive immunoglobulin within 6 days of exposure to prevent disease. Call the measles hotline at 1-844-944-3434 for more information if these situations apply to you or your family.

Albertans uncertain of their immunization history, or their child's immunization history, can check eligibility and/or book an appointment by calling the measles hotline at 1-844-944-3434.

Individuals who are 14 years of age and older can check their My Health Record.

The measles hotline connects you to a professional who can assist with accessing your immunization records or offer general information; provide advice for those experiencing measles symptoms and are feeling unwell; and assist with booking measles immunization appointments or locating a public health clinic offering

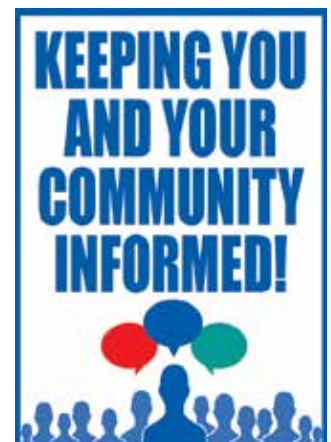

immunization in your area.

You can also text 'Measles' to 88111 to get measles health information texted to your mobile device.

For further information on routine childhood immunization, visit ahs.ca/immunization. You can also learn more from MyHealthAlberta about the risks of measles here and find frequently asked questions here.

YOUTH FARM SAFETY DAY IN YELLOWHEAD COUNTY

Submitted by Yellowhead County

Yellowhead County recently hosted its 9th Annual Youth Farm Safety Day for junior high students on May 21, 2025. The event offered an interactive, hands-on experience focused on recognizing hazards and promoting safety in agricultural environments.

Farming, especially on family-run or industrial operations, comes with its own set of risks. From long hours to the use of heavy machinery and handling unpredictable livestock, farm work can be dangerous. This event was designed to raise awareness and help reduce those risks.

Approximately 100 students in attendance from Niton, Evansburg, and Entwistle schools participated in the daylong event. Students rotated through a variety of safety stations, each highlighting potential hazards commonly encountered on farms. Topics covered included UTV and trailering safety, farm equipment safety, power-line safety, railway safety, and fire prevention.

The program aimed to educate not only future farmers but also those who may visit farms or live near agricultural operations, helping them understand the everyday dangers that may not be immediately obvious.

Yellowhead County extends its sincere thanks to the volunteers and organizations that contributed to the event, including:

- Agriculture for Life
- Canadian National Railway (CN)
- Fortis Alberta
- Farming Forward

• Yellowhead County Fire Services and Agricultural

Department

A special thank you also goes out to Weyerhaeuser and Design and Country for their support and contributions.

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

ANSWER:

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
