PARKLAND RCMP INVESTIGATION ULTIMATELY LEADS TO \$37.2 MILLION IN ILLICIT DRUG SEIZURES

Submitted by Parkland RCMP

In the spring of 2025, the Parkland RCMP detachment launched an inves-

tigation into the suspected drug trafficking of a Spruce Grove area woman. Through investigative tools, including electronic and physical surveillance,

members were able to monitor movement that quickly extended beyond the immediate area; first to Calgary, and then

PARKLAND RCMP ARREST MALE FOR ASSAULT WITH A WEAPON

Submitted by Parkland RCMP

On May 17, 2026, at approximately 4:38 p.m., Parkland RCMP responded to a report of a stabbing in a parking lot near 70 McLeod

Avenue in Spruce Grove. A male reported that two males were fighting when a third male intervened and was stabbed in the back of the arm by one of the individuals involved. The suspect fled the area on foot.

Police located a 24-year-old male with a laceration to his arm. Patrols were conducted in the area to locate the suspect. Police later received a separate complaint from a member of

further east into Manitoba.

The Parkland RCMP investigators solicited assistance of the Winnipeg Police Service (WPS) who ultimately determined the female suspect was associated to targets of their ongoing investigation dubbed Project PUMA. A traffic stop was initiated which resulted in the seizure of 53 kilograms of methamphetamine and 5 kilograms of fentanyl.

In February of 2026, the WPS's Project PUMA investigators passed information along to the Parkland RCMP and Edmonton Police Service (EPS) resulting in a col-

laborative investigation that led to the seizure of 80 kilograms of cocaine in Edmonton.

"In this case, no single agency could have achieved this result alone. It required trust, timely information-sharing, and a willingness to hand off and support efforts across provincial and organiza-

tional boundaries," said Inspector Kevin McGilivray, Officer in Charge of the Parkland County RCMP. "It also highlights how a single investigation, when supported by strong partnerships, can have a much broader disruptive effect on organized crime networks, particularly where individuals play

significant roles in trafficking and production."

The EPS and WPS have issued their own media releases outlining the seizures and arrests that have occurred in their jurisdictions.

Let the Race Begin: Supporting Effective Democracy Through Vibrant Local Nomination Contests

With the next provincial election right around the corner, and the recent announcement that MLA Shane Getson will not be seeking re-election, the Lac Ste. Anne – Parkland United Conservative Party Constituency Association is poised to open its local candidate nomination process. This process is essential to selecting a strong and viable candidate to field in the next election.

In the days ahead, prospective candidates are going to be out in our communities, introducing themselves, sharing their vision, and asking for your ideas and your support. This process is aided by the registration of a "Prospective Candidate Association," which helps community leaders interested in running for office build the organizational and fiscal capacity to participate in this process. The Hans Herchen Prospective Candidate Association is one such organization, and we're reaching out to share a little bit about who we are and what we're working on – and introduce our proposed candidate, Dr. Hans Herchen.

Dr. Herchen is a principled conservative with a lifelong record of leadership and advocacy. From his days growing up on the family farm and alongside his father's veterinarian practice in Evansburg, raising his family and nurturing his three children into adulthood, serving in the Canadian Armed Forces, starting and growing his dental practice, and to his more recent service as president of the Alberta Dental Association, Hans understands how to embrace the best of who we are and what kind of work it takes to foster success. He's humble enough to know he doesn't know it all, yet optimistic enough to know that, where there are challenges, we can find solutions if we work together. That is why we're supporting him – and why we think you should, too.

For us, there are a few priorities that set Hans apart. These include a commitment to strengthening local communities by working to reshape the relationship between the provincial government and municipalities; advocating for the continued integration and enhancement of the new Alberta Healthcare Model; and taking a firm stance on freedom of choice in education and the protection of individual rights. Hans is committed to prioritizing job creation and vocational training for young people, and to making Alberta more affordable for families and seniors. Hans believes Albertans deserve to feel confident that they can afford a family, that they can live their faith, that their children can get a practical education that prepares them for the real world, and that they can live a happy life supported by reliable public services and free of excessive government and over-regulation. Above all, Hans is standing for an Alberta that is a strong and autonomous voice within a united and respectful Canada – an Alberta run by proud, confident, and industrious Albertans, leading the way and supporting each other, keeping the Alberta tradition alive and well for us all.

The days ahead will be filled with more discussion on policy and the path forward, and we encourage you to embrace the opportunity to meet the candidates and engage in the process. We hope that you'll take a moment to learn more about Dr. Herchen as well; you can check out our website at www.hansherchen.ca for more details on Hans and his platform, ask a question, explore upcoming community events, or support the campaign.

*Keep an eye out in the paper, website and social media for upcoming events!
Everyone is welcome!*

Don't Forget...

In order to participate in the nomination process, you must be an active member of the United Conservative Party at least 21 days prior to the vote. If you'd like to make your voice heard and help select the next UCP candidate for Lac Ste. Anne – Parkland, please purchase (or renew) your membership today! Let's keep working to make Alberta Strong and Free.

Mobile Mammography Service To Visit Evansburg

Continued from Page 1

A mammogram is an X-ray of the

breast. Screening mammograms are the best way to find breast cancer early when treatment may

work better. Getting screened for breast cancer saves lives.

More information about breast cancer screening and who is eligible can be found by visiting https://screeningforlife.ca/breast/get-screened/#who_should_get_screened.

Visit <https://screeningforlife.ca/breast/screen-test-mobile-clinics/> for more information and a complete listing of communities that the Screen Test mobile visits.

Screen Test is improving access to cancer screening for thousands of individuals in Alberta communities where mammograms are not readily available.

In addition to mobile mammography clinics, screening can also be performed at specific radiology clinics and some hospitals. Individuals aged 45 to 74 can discuss

their breast cancer risk with their healthcare providers to determine whether screening is appropriate for them and book with a radiology clinic or with Screen Test mobile mammography. For more information, visit screeningforlife.ca/where-to-get-screened.ca.

Care is a lifelong commitment for Primary Care Alberta. We plan, fund and support primary healthcare across the province, improving access to care providers and offering front-line services through Health Link 811 and public health teams. Throughout the health journey, we are by your side – managing, preventing and reducing illness. Along with our partners, we nurture the connections our communities need to thrive and strengthen the health of all Albertans.

CITY OF SPRUCE GROVE WILL NOT FUND ADDITIONAL EMS COST; PROVINCE TO LEAD SERVICE TRANSITION

Submitted by City of Spruce Grove

Following careful review, Spruce Grove City Council voted Monday evening not to fund the additional cost associated with the provincial Ground Ambulance Service Agreement, a decision that will result in the transition away from the City's current integrated Fire-EMS service model.

"This has not been an easy discussion or debate, and it's not taken lightly by this Council," said Mayor Jeff Acker. "The ultimatum by the Province on integrated Fire-EMS service models was unfair to the City of Spruce Grove, to all other municipalities with integrated service models, and to other municipalities served by these integrated units. Fundamentally, health care is provincial jurisdiction, and it would neither be sustainable nor fiscally responsible for us, as a municipality, to subsidize provincial matters."

The Province has indicated it is working to standardize ground ambulance service delivery across Alberta, while stating that integrated models operate at a cost higher than comparable models elsewhere in Alberta. Council's decision aligns with the Province's direction while maintaining the City's principled position that health care funding is a provincial obligation.

"We are not in the business of absorbing open-ended provincial health care costs on behalf of local taxpayers, nor should we be," said Mayor Acker. "The Province has committed to maintaining service levels for our residents, and we take that commitment seriously."

Following the unanimous decision of Council not to fund out-of-jurisdiction provincial costs, Council put forward a motion to support and maintain Medical First Response (MFR) at an Advanced Life Support (ALS) level by Fire Services, providing timely medical aid to patients on-scene, as appropriate. A second motion directed City Administration to explore options for potentially expanding MFR services in Spruce Grove's 2027-2029 Budget and Fiscal Plan. Both motions re-

ceived unanimous Council support.

The current ambulance contract runs through September 2026. The Province has indicated it will collaborate with the City in developing a transition plan, and the City will engage fully with that process to ensure continuity of care for residents.

"There is no debate that the City has enjoyed the benefits of an integrated model, and there is

no questioning the professionalism, standard of care, and response that the leadership and members of Spruce Grove Fire Services have provided residents of the City and beyond under this model," said Fire Chief Chad Priebe. "This has not been, and is not being, disputed by EHS, City Administration, or City Council. In fact, the City has been celebrated for its service delivery, as have other integrated departments in

Alberta."

The alternative option provided by the Province would have resulted in the City absorbing an additional cost of around \$1 million per year at the start, with projected annual increases after that. The City will provide further updates as the Province's transition plan takes shape. Visit sprucegrove.org for more information.

MASKWACIS RCMP OBTAINS ARREST WARRANT AFTER ROBBERY WITH A FIREARM INVESTIGATION

Submitted by Maskwacis RCMP

On May 17, 2026, at approximately 1 p.m., in Montana First Nations, Alta., two individuals, known to each other, robbed a male of his liquor while manipulation a rifle. The individual got away unharmed, while the blue SUV fled the scene with the two suspects.

Investigation revealed the identity of the indi-

viduals who drove away and a warrant was obtained for the arrest of Jesse Lee Roasting (36), a prolific offender, and Melvin Myles Cattleman (38), both residents of Maskwacis.

Cattleman has since been arrested and was charged with:

- Robbery with a firearm;
- Possession of a firearm when prohibited;
- Possession of a firearm in a motor vehicle; and

•Failure to comply with a release order (x3).

Cattleman was brought before a Justice of the Peace and remanded into custody, to appear before the Alberta Court of Justice in Wetaskiwin on May 19, 2026.

Jesse Lee Roasting was charged with the following offences and a warrant for his arrest is still active:

- Robbery with a firearm;
- Possession of a firearm

while prohibited (x3);

- Possession of a firearm in a motor vehicle; and
- Possession of a firearm knowing the possession is unauthorized.

Jesse Lee Roasting remains at large and is considered to be armed. Anyone with any information on his whereabouts is asked to please contact the Maskwacis RCMP at 780-585-3767.

NITON CENTRAL STUDENT CAMMEE BURNS NAMED ONE OF ALBERTA'S TOP YOUNG WRITERS

Submitted by GYPSD

Hard work, dedication, and a dazzling imagination have officially paid off for one talented local student.

Cammee Burns, a Grade 5 student at Niton Central School, has been named one of the top three writers for her grade level in the entire province of Alberta! Her captivating short story, "The Ball," earned her a coveted spot in the spotlight for the prestigious 2026 YABS Young Writers' Award (formerly known as the Martyn Godfrey Young Writers Award).

This provincial win wasn't just luck—it was the result of pure determination. To maximize her writing time before the spring break deadline, Cammee worked double-time to finish her regular classwork ahead of

schedule, dedicating every spare second to planning, writing, and editing her manuscript.

The Youth Literature Association of Alberta (YABS) jury reads hundreds of entries from grades 4–9 across the province, selecting just three winners per grade. For her incredible achievement, Cammee received:

A curated collection of books

An official award certificate

An exclusive invitation to the Winners Circle virtual writing workshop with a professionally published author which is scheduled for the end of May.

GYPSD and Niton Central are incredibly proud to celebrate its very own published-author-in-the-making!

WEED INSPECTORS ARE IN YOUR AREA THIS SUMMER

County Weed Inspectors will be out in full force, documenting various invasive plants on both County and private lands.

DID YOU KNOW? Although the Weed Control Act (SRT 3, section 12) automatically grants an Inspector right of entry onto private land, Yellowhead County chooses to utilize a "door knocking" program to make contact with landowners **before** a weed inspection takes place.

You may see a white County vehicle near your property and an Inspector in a high visibility vest performing weed inspections. Please be considerate of their safety.

WHAT TO EXPECT

If home, you will be informed of the approximate date and time of the inspection. Inspectors can address any questions or concerns that you may have at that time.

If not home, a placard will be found on your door or gate letting you know that an inspector was there and that you can call for more info before the inspection.

The results of the inspection(s) and weed information sheets will be mailed out to the landowners within a couple weeks of the completed inspection(s).

For more info visit yhcounty.ca or call the Agricultural Services Department at the Wildwood County Office at 1-800-814-3935

2026 COMBINED ASSESSMENT & TAX NOTICES

Yellowhead County mailed the 2026 Combined Assessment and Tax Notices on May 19, 2026.

The deadline for paying is June 30, 2026.

PAYMENT OPTIONS:

- Edson or Wildwood Yellowhead County Offices
(drop box available after hours at Edson location only)
- At your Chartered Bank or Credit Union
- Telephone Banking
- Internet banking
(Your Tax Roll Number is your Account number)
- Courier or Canada Post
(postmarked on/or before the 2026 due date.)

A penalty will be applied to all 2026 tax levies that are outstanding after the due date.

If you have not received a notice, or have further questions, call the Yellowhead County office at 780-723-4800 or 1-800-665-6030.

Office hours are 8:00 am to 4:30 pm Monday to Friday.

For more information, please call 1-800-665-6030 or 780-723-4800 or email info@yhcounty.ca

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

**ANSWER:
Last Weeks**

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
