## SCOUTING REPORT: BRADY PARSONS

Submitted by Bob Walker

Current Team: Barrhead Orioles

Position: Pitcher

Keep an eye on Brady Parsons. Currently taking the mound for the Barrhead Orioles, this young man has the kind of natural talent and grit that makes scouts sit up and take notice.

On the bump, Brady consistently sits in the 80–85 mph range. While that velocity is impressive on its own, what truly sets him apart is his unusual accuracy. He commands the zone with a level of precision and poise well beyond his years.

Off the field, Brady is just as solid. He comes from

a God-fearing, hardworking family, and it shows in his character and work ethic—he is a fine young man who knows the value of putting in the hours. He also brings a hearty appetite to the table—eating like a horse—which tells you he's got plenty of room left to grow and fill out his frame, meaning there is likely even more velocity in the tank.

Remember the name, Brady Parsons. With his combination of high-level control, strong character, and raw potential, he will make us all proud one day.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

The Whitecourt Town Office is moving to its new location this month at the Canfor Culture & Events Centre. The Town Office will be closed:

- Monday, November 23
- Tuesday, November 24

The Town Office will officially open at its new location at 5401 51 Street on Wednesday, November 25. Other municipal facilities and services will remain operational on November 23 and 24. Utility and tax payments can be made online at www.whitecourt.ca or at banking institutions during the scheduled closure.

The Whitecourt Transportation Master Plan is complete, and was presented as information at the November 9 Council Meeting. The Plan evaluated Whitecourt's transportation infrastructure over a 25-year horizon, and made recommendations for improvements to accommodate growth. Recommendations from the report, including associated costs and anticipated timing, will be brought forward for consideration by Council at a future date.

Whitecourt has endorsed Woodlands County's application to the Alberta Community Partnership Initiative to rewrite the Woodlands County/Town of Whitecourt Intermunicipal Development Plan (IDP). The IDP is a high-level statutory plan that establishes a coordinated framework for growth and development along shared municipal boundaries to minimize future land use conflicts and support the long-term interests of both municipalities. The current IDP requires updates to reflect recent studies and changes that have been made by both municipalities to their planning documents.

Whitecourt has approved the submission of a joint letter to Alberta Transportation North Central Region suggesting that a speed zone transition on Highway 43 be implemented. It is felt that a speed zone transition would facilitate the safe transition from rural highway to

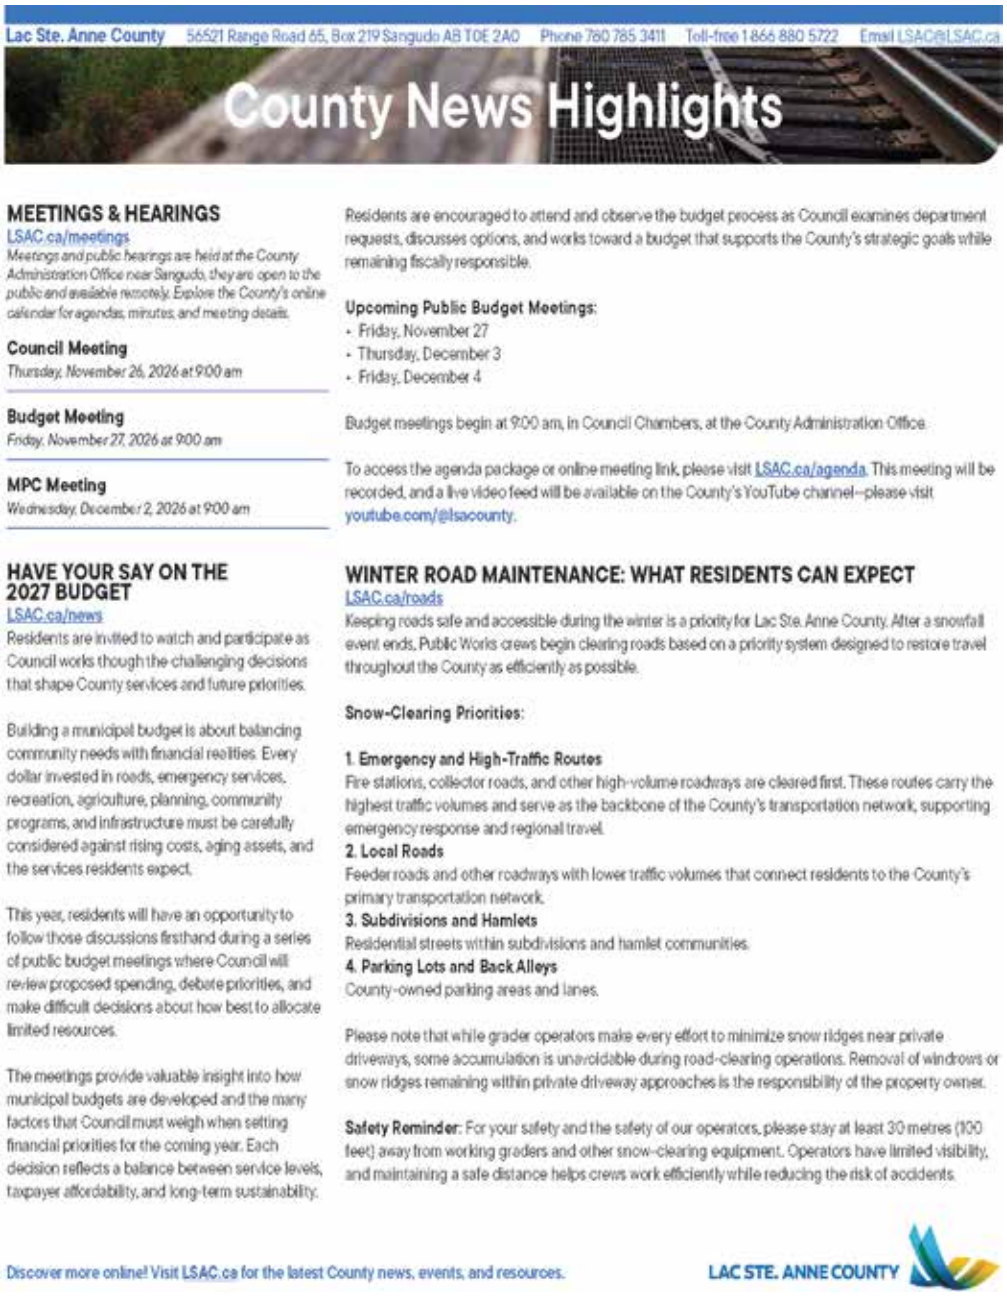

urban roadway speed limit, and ensure the continued safety of motorists and pedestrians along Highway 43.

Each year, Alberta Municipal Aff airs provides results of financial, community and governance indicators based on predetermined performance benchmarks. There are 13 indicators, and Whitecourt was deemed "not at risk" for all indicators.

The Town of Whitecourt has authorized the submission of a joint letter with Woodlands County to the Government of Alberta requesting clarity on the Province's direction on nuclear energy development in Alberta.

Per the Alberta Libraries Act, Whitecourt Town Council has appointed Woodlands County Councillor Dave Kusch to the Town of Whitecourt Library Board for a one-year term.

Council has scheduled a workshop on November 30, 2026.

# STRUCTURE FIRE – IN THE TRI-VILLAGE AREA VAL QUENTIN, AB

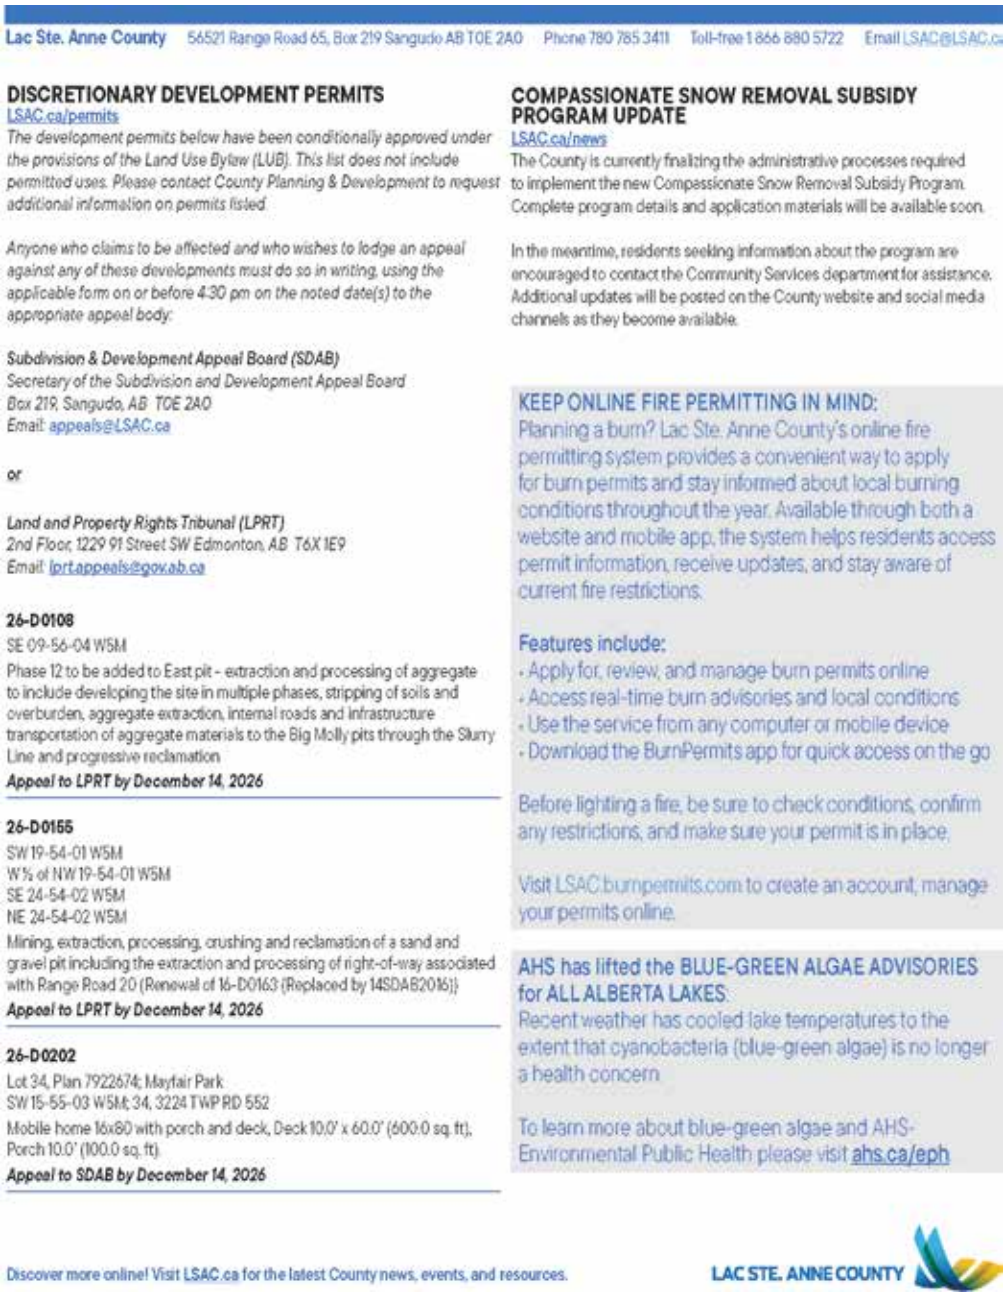

Submitted by Fire Rescue International / Alberta Beach Fire Department

At 1228hrs Thursday Nov 19, 2026; Fire Rescue International (FRI), operating as the Alberta Beach Fire Department, responded to a 911 call out – which had initially been classified as a lower-risk outside fire. Two fully-staffed engine companies were on route to the fire within 3-minutes of the page-out. Upon arrival a thick black smoke column could be seen rising from the location. Crews found a fully engulfed RV trailer threatening structures as well as what appeared to be a separate fire burning vigorously in the inside the home at the same address.

Fire crews went to work immediately protecting exposures and darkening down the fire within the home. Water was applied to the structure within minutes of arrival. When safe to do so, crews made entry into the burning building in order to complete life safety searches and better reach areas of fire extension as well as hot-spots. Luckily the home was not occupied

Once additional water resources reached the scene, firefighters completed a more through search of the interior in order to rule out any hidden fires or other life / safety hazards. At its peak, Fire Rescue International had thirteen-members on scene with four apparatus and an additional 4 mutual aid water tenders. One firefighter was injured during these activities and taken to hospital as a precaution. No members of the public were injured as a result of the fire.

Fire Rescue International would like to thank Lac. Ste. Anne Fire Services, Emergency Health Services – Alberta, Atco Gas, Fortis Alberta, RCMP, and Alberta Beach Patrol for their cooperation and assistance. Fire Rescue International / Alberta Beach Fire Department is proud to provide a 24-7 / 365 manned fire station responding to fire, rescue, and medical co-response to the residents and guests of Alberta Beach, Val Quentin, Castle Island, South View, Silver Sands, and Nakamun park

# SUDOKU of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
